

Address and Directions

The farm is located at 17200 1490 East Street, Wyanet, IL. Most GPS's don't have a problem finding it, however we will have signs on Wyanet-Walnut Road and Backbone Road.

From Princeton via Backbone Road – From Princeton's Main Street go west on Backbone Road approximately 4.8 miles to 1900 North. Turn south/left. Follow road about 3.5 miles – past dead end sign.

From Wyanet via Wyanet-Walnut Road – From Route 6/34, turn north onto Wyanet-Walnut road. Go about 2.5 miles and take first right after crossing I-80 onto 1745 North. Go 1 mile to stop sign. Turn south/right and go past dead end sign.

We are on a dead end road – the road curves up into our driveway.

Guidelines

Pre-Orders: If you pre-ordered and would like the “drive through” payment and pickup, just stop at the tables and we will hook you up!

Parking: please go clockwise (left) around the driveway and park along the white fence facing west with enough room to allow other cars to pass. If it is too crowded we will find another spot for you. If someone is stopped for their pre-order please wait patiently – we will go as fast as we can!

While this is not a full-fledged working farm it is a farm, complete with a bumpy yard and various equipment. We are not responsible for accidents or injuries.

Please follow social distancing requests. We believe fresh air and sunshine are some of the best medicine to be found but some people like their space and have health concerns.

Please do not throw things at the chickens – they're already crazy!

Please watch your step in the gardens – little plants are tender.

Please stay away from debris. We suffered a lot of damage during derecho in August and are still cleaning up the damage – while we do apologize for the mess we are not responsible for injuries!

Children are welcomed but must be behaved. We have a wide array of customers who may not balance if knocked into. Chickens peck and kids don't always appreciate that.

Photos: Feel free to take some photos of your day on the farm!
